VICTORIALEKACH

VICTORIA LEKACH

Miami, Florida based Modern Industrial and Graphic Designer, Victoria Lekach developed six collections in 2015, to create luxurious, innovative and meaningful tabletop accessories and home decor made of acrylic.

Inspired by the beautiful, simple moments we spend with our family and friends, Victoria's desire is that people everywhere will enjoy a meal with their loved ones and will make that moment not just an experience but a ritual of unity and love.

These innovative collections give customers the opportunity to introduce beauty to their dinning tables and to foment family and social unity in an elegant and sophisticated fashion.

VL TABLETOP ACRYLIC ACCESSORIES AND HOME DÉCOR

Following her passion, Victoria Lekach synthesizes art, photography, and industrial design to create her first collections of seven signed, limited edition pieces made from photos and assorted acrylics. A plethora of diverse designs, textures, and motifs are carefully cultivated to bring about an eclectic variety of tabletop and home design accessories such as placemats, coasters, trays, and many more pieces targeted to evolve by the day.

BIANCO

COLLECTION

Sophistication comes in white

Inspired by the beauty we pass unnoticed everyday; Victoria Lekach stops her day to capture it in materials and textures found in simple things. This collection is a reminder of the importance of stopping to observe what and who is around you, finding splendor wherever you look

NATURE

COLLECTION

Never goes out of style

As a grounded Artist, VL brings Mother Nature to your home to show that when you look deep into nature, you understand that true beauty, originality, and elegance are effortlessly accomplished.

MIAMI MARINE STADIUM

COLLECTION

Rusted expressions

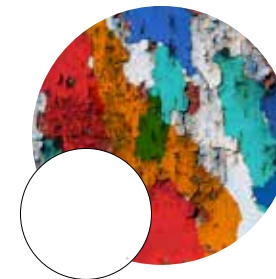

Poured entirely in concrete, the Miami Marine Stadium consists of a dramatically cantilevered folded plate roof supported by eight big slanted columns anchored in the ground through the grandstand. Today Victoria Lekach capture and maximizes eight small pieces from the current stadium's current visual state (2015) before it's remodeling; enhancing how unique it remains after all these years.

Presentation Plate Description:

- Reversible
- Laminated photography
- Size: 13" Diameter 0.3 ml thick

GEO

COLLECTION

Geometric beauty

From a base of point to point linear design and geometric figures, Victoria Lekach creates this exclusive collection of presentation plates. A splash of color, the abstract, and geometry blend together to achieve a unique beauty to your dinner table.

Presentation Plate Description:

- Reversible
- Laminated photography
- Size: 13" Diameter 0.3 ml thick.

Au

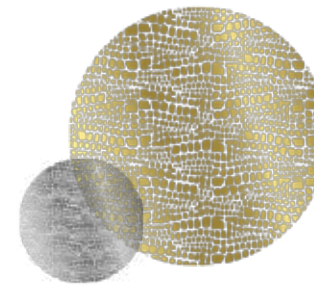

COLLECTION

Stay Gold

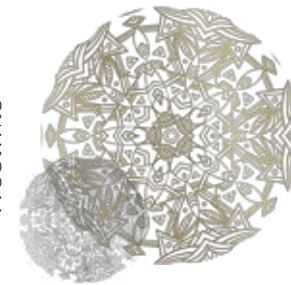

VL creates Au Collection, inspired by the majesty, brightness and timelessness of gold. Due to gold's strength, gold that was mined 4,000 years ago is likely still in existence today. This collection will therefore accompany you over time creating beautiful moments in your meals.

Presentation Plate Description:

- Reversible Gold and Silver
- Laminated acetate
- Size: 13" Diameter 0.1 mm thick.
